Cup Blessing

Rowan

The coven that I've been working with in Denver begins its cup blessing by a dialogue between the Priest and the Priestess. Both have a hand each on the athame and the chalice:

Priest: "Be it known that a man is not greater than a woman.

Priestess: "Nor yet is a woman greater than a man"

Priest: "For what one lacks"

Priestess: "The other can provide"

Priest" "As the Athame is to the male"

Priestess: So is the cup to the female.

Both: And when conjoined together, they become one in truth, for there is no greater magick in all the world than that of love.
